

The Barge

October 5, A. S. XXIII

Kingly Virtues, #1: Just and Merciful

From the MOA and MOS

Greeting unto the populace from Her Ladyship Corisander Seathwaite, MOA and Lady Thyri Haroldsdottir, MOS.

We would like to welcome all of our newer members and remind them that we are at their side for assistance in researching their Arts and Sciences projects. Please tell us what you're working on so we can keep a record of major projects for our quarterly reports.

We would also like to encourage you, the populace, to write articals (brief but informative) on your specialty craft for The Barge. This gives you practice in preparing documentation and also allows someone else to share in your knowledge. Talk to us for advice and information.

With the change in meeting schedule, we are seeking more individuals to teach Arts and Sciences of The Month (A&SoTM). You do not have to be an undisputed expert to teach and, if you choose, you can head a discussion panel on a topic. If you can use 3 or 4 hours to teach a hands-on subject, The activities meeting is perfect for you. Schedule your class with us and Lady Caroline will list it in The Barge, no matter how early you schedule.

Finally, if you need any information on Kingdom level A&S activities, please contact us. We travel and know many of the people who you may contact to obtain more information about your craft. If you have any questions about what is an art and what is a science, see the lists which are included in this Barge issue.

Thank you for your time and participation in the Arts and Sciences. We are yours in service to The Society, The kingdom, and The Barony.

Thyri Corisander

P.S. Watch your Barge calender for late breaking Arts and Sciences activities. We'll keep you posted as best we can.

The following list was compiled by Lady Corisander telling what is an Art and what is a Science. Talk to Lady Cori if you want any more information.

Arts	Sciences
Costuming	Constuction of Archey Equipment.
Cloak making	Blacksmithing
Period Dances	Woodworking
Origami	Construction of Armor
Heraldic costuming/aplique	Brewing
Needleworking	Metalworking
Music	Chainmail making

Pouch making	Herb and flower gardening
Cross stitch and Blackwork	Pomander and Fragarence making
Cloth Ciclets	Cooking
Shoemaking	Food Histories/Etiquette

This list is not complete but will give you a good idea of what the Arts and Sciences cover and what you could do for the competition this year or next.

From The Chronicler

Greetings unto the people of Three Rivers, from Lady Caroline Buxton, C.T.

My Lords and Ladies,

Since I last wrote to you, a few things have changed in my office. Clothilde is no longer my production assistant. Nothing of significance has changed, submissions still go to me, and Lady Dragons Flower is still distributing the Barge. I have however taken on two deputies to assist me in getting articles, artwork and to do anything else I can think of for them to do. My two new deputies are Lady Aethelthritha of Whitby and Lord James Greenleaf.

Thank you for your patience during this transition.

Lady Carrie

Kingly Virtues, #2: A Noble and Wise Leader

Announcements

The Barony is currently looking at having an Archery Event in the spring sometime. If you have any ideas on where a site for this event, or any ideas for activities, please contact Master Brumbar.

The Barony is also looking at holding the Middle-Calontir Interkingdom event. If you know of a site on either side of the river that we could possibly use please contact Lord Dane.

NEW MEETING SCHEDULE! NEW MEETING SCHEDULE! NEW MEETING SCHEDULE!

Starting in October, we will have a new meeting schedule. The first Thursday of the month will be delegated to Baronial business and Art/Science of the Month. The second Thursday will be devoted entirely to dance (except November 9th when we will hold the Baronial Championship Tourney in Umrath Hall). The third Thursday will again have Baronial Business along with Medieval Moments. The fourth Thursday will be devoted to learning new medieval skills, such as Calligraphy, Leatherwork, Chain Mail making. If there is a fifth Thursday in a month, what we will do on that day will be discussed.

Fall Baronial Championship will be held in Umrath Hall on November 9th. This is a Thursday night. There will also be a Baronial Court for the purpose of investing the winner of the Tourney. Baron Stephen asks that if you cannot fulfill the duties of Baronial Fighter Champion you not enter the tourney.

More Announcements

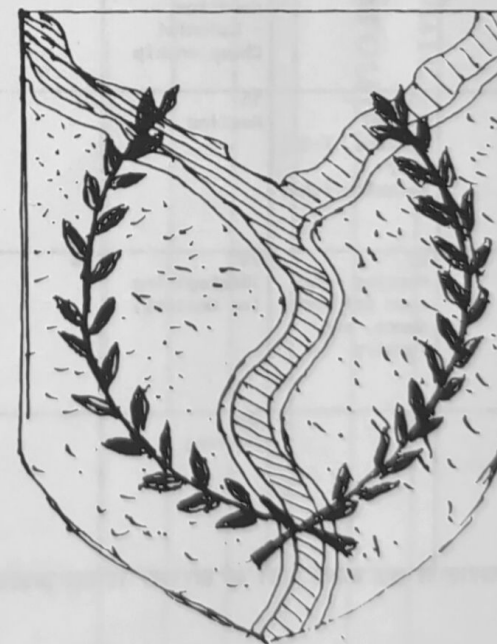

There will be a Baronial Archer Championship on October 8th at Buder Park at 12:00 o'clock. For more information, see Lord Idris or Lady Christina.

Lord Idris also wishes it to be known that he has a throwing range set up in his back yard for anyone who wishes to throw hand axes, daggers and the like. If you would like to do this see Lord Idris to arrange a time.

Lord David is looking for a new treasurer deputy. If you think you can help him, please contact him for further details as to what the job entails.

If you have a SCA membership, your new Kingdom Laws will be arriving soon. If you do not have a SCA membership, and would like one, I have provided a copy of the membership form in the center of the Barge. On the other side of the membership form is a copy of the Kingdom Award recommendation form. If you know of anyone deserving of an award, fill it out and send it to the Crown by October 10th so Their Majesties have plenty of time to consider them. If you wish to use both forms, you can see Master Brumbar for extra Kingdom Award forms or use a magic scribe (a copier).

Have you seen the nifty T-shirts other groups have put out and wanted to know where you could get one that says "Barony of Three Rivers"? Well, you can't get one for Three Rivers, at least not yet. If you are an artist, and even if you're not, and you have an idea for a "Barony of Three Rivers" T-shirt, we will be having a contest for a design. The contest will take place at Winter Court on December 9th. Rough sketches will be accepted. Get your ideas together, and enter. The winner will get a T-shirt and one year's SCA membership. This is a good chance to advertise the SCA on your chest. A picture of the Baronial escutcheon follows, with a key as to colors.

More Announcements

At the Baronial Meeting on September 14, AS XXIV (1989), Baron Stephen announced that he will be stepping down as Baron sometime after his wedding event. Baron Stephen has been our Baron for 11 years. His decision to step down was based on his need to do other things. At the same time as Stephen's announcement, King Shadan announced that he was suspending Baroness Arwyn from office for the duration of his reign for her lack of activity. At the Coronation event, King Shadan permanently removed Baroness Arwyn from her duties. A letter from Their Majesties Volkmar and Isadora will be forth coming in the November Barge. It will deal with how we in Three Rivers will go about selecting a new Baron and Baroness.
